

Reducing Insurance Risk in Delivery Fleets — Checklist

backwatch.co.uk

Implementation Checklist

- ☐ Installation records showing which vehicles have which camera hardware and since when
- ☐ Footage retrieval procedure — the documented process for accessing and preserving footage after an incident report
- ☐ Driver coaching programme — evidence that event data is reviewed and used for coaching, not just archived
- ☐ Claims handling record — how many claims were defended successfully with footage evidence, and at what cost savings compared to settlement
